

Mexican Association of Teachers of English MEXTESOL® , A.C.

Mexico City, August 1st, 2020.

Dear MEXTESOL® community,

Due to the current situation in the world, and because your health and safety is our priority, the National Governing Board has taken the decision to migrate our annual event.

Hence, our 47th International MEXTESOL® Convention will be held in the virtual modality on Virbela (www.virbela.com/download) platform, whose **-demo- program** you can already download to your laptop and start getting familiar with.

Also, if you are a speaker, or individual participant, the registration process can be done by visiting our official webpage (www.mextesol.org.mx). If you want to get the lowest fee as part of a group, contact your closest local chapter!...spaces will be limited.

We are working hard so that you get wonderful and insightful presentations, great exclusive offers from our sponsors, and the closest to the real *in situ* experience.

Keep in touch through our social media because this will be a unique opportunity for all of us; we are sure we will enjoy this as a family, the MEXTESOL® family.

Yours,

J Jesús Felipe Florido

President

MEXTESOL® National Governing Board
